LOOK BEYOND your AL score

“Test scores and measures of achievement tell you where a student is, but they don’t tell you where a student could end up.”

- Carol S. Dweck

A male athlete with a prosthetic running blade is captured in mid-stride on a red running track. He is wearing a red sleeveless shirt and black athletic pants. His prosthetic leg is a sleek, curved blade that extends from his hip. He is leaning forward, with his right arm extended back and his left arm reaching down towards the track. The background shows a green field and a red building under a clear sky.

**“Success is not final,
failure is not fatal: it is
the courage to
continue that counts.”
– Winston Churchill**

your future**

“Remember to celebrate milestones as you prepare for the road ahead.” – Nelson Mandela
